General Information

Mission Statement: Our mission is to enrich the quality of life for our community through parks and recreation.

Vision: Our vision is to provide for now and future generations a sense of community, preserved green space, diverse programs, excellent customer service, and life-changing experiences.

We Love Parents But: With your child's best interest in mind, parents are asked to not be in the classroom during programs. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

Behavior Policy: Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make the Recreation Department safe and enjoyable for all participants. Participants shall: 1) show respect to all participants and staff; 2) refrain from using foul language; 3) refrain from causing bodily harm to another participant or staff; and 4) show respect for equipment, supplies and facilities. If participants are not able to exhibit appropriate behavior, or are distracting the instructor, they may be asked to leave the program.

Toilet Training Policy: Children enrolled in a Bloomington Parks & Recreation program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

Americans with Disabilities Act: We comply with the Americans with Disabilities Act (ADA), which prohibits discrimination on the basis of disability. We will make reasonable accommodations for individuals with disabilities who meet essential eligibility requirements for the desired program. Individuals with disabilities are encouraged to contact us at (309) 434-2260 regarding special accommodations needed for enjoyment of programs. Those who use telecommunications for the deaf (TTY) may reach the Recreation Department by calling our TTY number (309) 829-5115.

Sincere Appreciation: A great big "thank you" goes to the District 87, Unit 5, and Central Catholic High Schools for the use of school facilities. The extra time and energy from secretaries, custodians, teachers, and principals is greatly appreciated.

WEATHER SAFETY GUIDELINES FOR OUTDOOR RECREATION PROGRAMS

Heat

If the temperature is at or above 100 degrees and/or at a heat index of 104 degrees, outdoor activities may be canceled. Every attempt will be made to maintain normal operation during extreme weather conditions. When the National Weather Service has issued heat advisory warnings during the time period of a program, scheduled activities may be canceled.

Make-Up Policy:

When applicable, efforts will be made to make up any canceled programs and/or games with no guarantee(s).

Weather Related Communication:

- Program Cancellations will be determined no earlier than 1 hour prior to the start of a program via email. If weather worsens less than 1 hour prior, cancellations can still be made with every effort to contact participants.
- Special Event Cancellations will be determined no later than 3 hours prior to start. If weather worsens less than 3 hours prior, cancellations can still be made with every effort to contact participants.
- Contractual programs, outside rentals, school sports, or groups using City of Bloomington recreation facilities are responsible for cancelling their own programs and notifying their participants.
- Cancellations/Delays can be made on-site at the programs or events.

Updates will be posted in the following ways:

SUMMER DAY CAMP

Summer Day Camp

Ages 6-11

Children will participate in a variety of activities including arts & crafts, games and more. Participants must be able to function in an outdoor camp setting in a 1:10 camper to counselor ratio. Benefits of attending camp include building self-esteem, increasing creativity, socialization with peers, and exploring new recreation experiences.

What to Wear

Children will be participating in various activities that involve using paints, sand, food, water, and other materials. Please dress your child accordingly. Shoes must be always worn. We recommend gym shoes as activities include a lot of running and walking which make sandals difficult to wear.

Drop Off/Pick Up

Campers may be dropped off between 7:00-9:00AM. Regular Day Camp activities will take place from 9:00AM-3:30PM. Children will need to be picked up between 3:30-5:45PM. The extended hours allow flexibility for working parents. During the drop off/pick up times, campers will be able to participate in various games and crafts. A small snack will be provided in the afternoon.

This is an ALL Outdoor Camp

Campers will need to bring their own beach towel (they will sit on these throughout the day), sunscreen (in a Ziplock), sack lunch and a water bottle daily. A water jug will be available for refills. Please send a swimsuit for daily swimming.

Please make sure ALL items are clearly labeled with child first and last name.

Child must be specified age when camp begins. Age verification may be requested.

Swim Lessons

Important Information on Swim Lessons

Progressive system where students move at their own pace through a series of American Red Cross Learn-to-Swim levels - there is no experience needed for Level 1. Prerequisite for each class is successful demonstration of the skills taught at the preceding level. Skill cards are given out as students complete a session. Remember - some swimmers need more than one session before passing to the next skill level.

Children are strongly encouraged to attend testing day prior to their first summer session! Students are assigned to a level based on swim testing at testing days, or on the first day of class. If attending testing the first day of class, understand it will impact the amount of time available for your first lesson.

Tree Services

Tree Trimming

Trees are trimmed for pedestrian and traffic clearance as well as selective thinning of branches, removal of dead wood, or storm damage repair. Trees are not topped, unless deemed necessary by the City Forester or a member of the staff.

At the Parks and Recreation Department, we have established a goal to increase the quality of trees within our City parkways and parks. The Department is governed by guidelines set within our Forestry Ordinance, Chapter 19, Number 1984. This ordinance permits the Parks & Recreation Department to plant, trim, spray, preserve, and remove any tree on City property to insure public safety or to maintain the health of the tree.

The ordinance also requires that anyone wishing to plant or have work done to a tree on City property, by someone other than our forestry staff, secure a permit from the Parks & Recreation Department first.

Please call (309) 434-2280 with any questions.

Tree City USA

The City of Bloomington is a designated Tree City USA - a program sponsored by the National Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters. To become a Tree City USA, a community must meet four standards: a tree board or department, a city tree ordinance, a comprehensive community forestry program, and an Arbor Day observance. Bloomington's staff of certified arborists and trained professionals enhance the Tree City USA designation.

Constitution Trail

Constitution Trail is a joint venture between the City of Bloomington and The Town of Normal. Much of the trail follows the old Illinois Central Gulf Railroad right of way through the community. The trail was dedicated and named as such in celebration of the 200th birthday of the United States Constitution in 1987 and the grand opening of Constitution Trail was May 6th, 1989. The City of Bloomington, Town of Normal, and McLean County have plans for future trail expansion.

Approximately 45 miles of trail exist within both communities. In 2000, the Constitution Trail was designated a Millennium Trail by The White House Millennium Council. Many groups sponsor the trail including McLeanCountyWheelers.com, GoToTrails.com, and Friends of the Constitution Trail. **To become a Friend of the Trail and learn more, check out ConstitutionTrail.org.**
